

NATIONWIDE BENEFITS

As a valued member of the University of South Carolina Alumni Association, you receive access to exclusive benefits to keep you connected to your Gamecock network and save on everyday purchases. We regularly add new benefits, so be sure to check our monthly newsletter for new and upcoming opportunities!

For those who left the nest and now live in areas outside of the Palmetto state, many of our benefits are still accessible though you may be far from Columbia. In addition to receiving a host of benefits, your membership directly supports our nationwide network of clubs to keep the Gamecock spirit alive across the country and the globe.
